Dear Colleagues, Friends, and Prospective Partners,

I hope this letter finds you well. On behalf of the National Pan-Hellenic Council (NPHC) San Diego, I am requesting your support for the upcoming 2024 San Diego NPHC Week. Our organization, a 501(c)(7) a not-for-profit organization, fosters unity and excellence within our community through the collective efforts of nine historically African American, international Greek-lettered fraternities and sororities.

The NPHC, affectionately known as the 'Divine Nine,' was established on May 10, 1930, at Howard University in Washington, D.C. Since then, our council has been steadfast in promoting camaraderie, academic achievement, and service to our communities. We are a community united by shared values and a common purpose, striving to create impactful programs and initiatives that uplift and empower those around us, focusing on educational, economic, and cultural service activities.

The 2024 San Diego NPHC Week is a significant event that not only provides scholarships for our undergraduate NPHC members located at universities in San Diego County but also promotes unity among our member organizations and provides service and advocacy within the community. It's about coming together to celebrate our shared values and making a tangible difference in the lives of those we serve. Your support will directly contribute to these impactful initiatives, underscoring the importance of your role in our community.

With your generous support, we can make this goal a reality and positively impact the lives of our members and the broader community. Enclosed is detailed information about our sponsorship levels and the benefits associated with each tier. Your contribution will not only help us provide scholarships but also enable us to continue our vital community service initiatives throughout the year.

Please contact us at sandiegonphcweek@gmail.com to discuss this sponsorship opportunity further. Thank you for considering our request. We look forward to the possibility of partnering with you to make the 2024 San Diego NPHC Week an unforgettable experience for all involved.

Warmest regards,

Dr. Donna Arnold Dudley
